

Banc Sabadell Group

We have had an agreement with Bank Sabadell Group, Spain's fourth-largest bank, since 2004 to promote high-quality management around the world and ensure that there are financial options for any exceptional individual who has the potential to become a world-class manager. The loan provides financing towards tuition fees. Since then, more than 1,500 students have financed their studies through the Global Loan Program.

Financing for International students:

- You can consult the general conditions for International students [here](#).
- You can also see how the [application process](#) works.
- You can submit your application through the website: bancsabadell.com/IESE, in order to receive a personalized simulation.

This information was provided by Banco Sabadell to IESE without taking into account the specific profile of each participant. The bank may request additional documentation at any time.

If you need any further information, please contact the Financial Aid Office at faohelp@iese.edu.
